Statewide Duplicated Count	**16,722**
Statewide Unduplicated Count	**15,101**

Statewide unduplicated count may include students in special districts who were not served in any specific county. Counties bolded received additional Education for Homeless Children and Youth Grant funding in the form of competitive subgrants and/or mini grants during the 2024-25 school year.

Statewide Duplicated Count: The total number of times students experiencing homelessness were identified or served during the reporting period. A student may be counted more than once if they were identified in multiple districts, re-enrolled, or received services in more than one instance.

Unduplicated Count: The total number of unique students identified as experiencing homelessness during the reporting period. Each student is counted only once, regardless of the number of times they were identified, moved, or enrolled in multiple schools or districts.
