

A vibrant illustration for the Arts Alive 2022 poster. It features a large brown circle at the top containing the text 'ARTS ALIVE 2022' in white. Below the circle, a woman in a pink dress is dancing between a blue profile of a face and a yellow profile of a face. To the right, a musical staff with notes and a treble clef is depicted as a tree trunk, with pink ribbons flowing from it. The background is a light blue sky with green, swirling, cloud-like patterns. The bottom of the poster is a solid green field.
