Background Check

Pursuant to W. Va. Code §18A-3-2a and W. Va. C.S.R. §126-136-9, applicants for initial licensure (including first-time applicants) must complete a fingerprint-based background check through IdentoGo (Link to IdentoGo: <https://www.identogo.com>), which includes both West Virginia State Police and FBI records.

Select the option below that best describes your certification history in West Virginia:

- ☐ I have previously received Certification in WV.
- ☐ I have never held WV Certification and will complete a background through IdentoGo. All first-time applicants **must** have fingerprints processed by IdentoGo.

For fingerprinting instructions, visit our First Time Applicants page (Link to First Time Applicants page: <https://wvde.us/certifications/first-time-applicants>)

Please note: Background checks completed outside of the West Virginia Department of Education's required process cannot be accepted.

Scheduling your IdentoGo Appointment

Once your application is received by the Office of Certification, a fingerprint service code will be sent to your email along with instructions on how to schedule your appointment with IdentoGO and what identification or supporting documents to bring.

You must use this code when scheduling your appointment to ensure your West Virginia State Police and FBI background check results are properly submitted to the WVDE. If the correct service code is not used, your background check will not be valid for West Virginia Department of Education certification purposes, and you may be required to submit and pay for an additional background check.

Additionally, the Office of Certification must receive your completed background check **within 30 days** of your application submission, or your application may be denied.
