

Exit Survey — One Year Follow-Up
Exit Year: 2023-2024 (collected 2025)

The West Virginia Department of Education is gathering information from former students who exited last school year about current education, training, work, and housing (or living status) to improve secondary transition services for school-age students.
Please mark your response in the boxes below and fill in the blanks where applicable, or complete online under One Year Follow-Up Surveys at: http://wvde.us/academics/special-education/surveys/.
