VI. Mingo County Schools Special Circumstance Review.

Ms. Alexandra Criner, Director, Office of Accountability, informed the Board that the office has conducted a Special Circumstance Review of Mingo County Schools related to local board member effectiveness. Ms. Criner explained that the ongoing special circumstance review began on February 17, 2025, and that the team has already interviewed most of the central office staff, all members of the Mingo County Board of Education, and reviewed meeting agendas, minutes, and recordings. Ms. Criner informed the Board that the findings, when taken as a whole, paint a picture of a school system, and children in the school system, caught in a political crossfire requiring decisive action. She then requested that the Board enter into executive session to discuss the specific findings of the special circumstance review and determine the appropriate next steps. After which, Mr. Gabriel moved that the Board enter into executive session under the personnel, privacy, and attorney-client privilege exceptions authorized by W. Va. Code §6-9A-3 for discussion of both items C (Mingo County Special Circumstance Review) and D (WVBE and WVDE Personnel Matters and discussion of school law with legal counsel) on the agenda. Mr. Dunlevy seconded the motion. Upon the call for the question, the Board entered in executive session at 10:49 a.m. on a voice vote.

The Board returned from Executive Session at 12:35 p.m. Superintendent Blatt was asked for a recommendation regarding the Mingo County Schools Special Circumstance Review. Superintendent Blatt recommended the following:

3) That the conditions precedent to WVBE intervention in a county school system exist and delaying the intervention would not be in the best interests of the students or the staff of Mingo County Schools;

5) That the authority of the Mingo County Board of Education be limited in areas that compromise the delivery of a thorough and efficient education to its students as designated by the WVBE by rule which may include, but is not limited to, delegating decision-making authority regarding these matters to the State Superintendent or her designee;

8) That the WVBE grant the State Superintendent or her designee the authority to take action necessary to correct the extraordinary circumstances;

9) That the WVBE void the authority of the Mingo County Board of Education as to finances, personnel, federal programs, and any other areas designated by the WVBE by rule and delegate decision-making authority to the State Superintendent or her designee regarding those matters;

10) That the WVBE delegate to the State Superintendent or her designee the authority to conduct hearings on personnel matters, the referral of investigations to other agencies, and the authority to appoint a designee for the limited purpose of conducting hearings while reserving to the State Superintendent the authority to render the resulting decision, if needed;

11) That the WVBE void the authority of Mingo County Board of Education as to the ability to conduct real estate transactions and delegate to the State Superintendent or her designee the authority to act in lieu of the Mingo County Board of Education in a transfer, sale, purchase, or other transaction regarding real estate;

12) That the WVBE delegate to the State Superintendent or her designee the authority to replace administrators and principals in low-performing schools and to transfer them to alternate professional positions within the county at her discretion;

13) That the WVBE delegate to the State Superintendent or her designee the authority to fill positions of administrators and principals with individuals determined by the State Superintendent to be the most qualified for the positions;

14) That the WVBE direct the current and future Mingo County superintendents and the State Superintendent, after consultation with the Mingo County Board of Education, to jointly develop and present to the WVBE at a future meeting a set of standards and/or a strategic plan that must be implemented in order for the Mingo County Board of Education to regain control of the school system; and,

15) That the WVBE direct the current and future Mingo County superintendents to provide written and/or oral progress reports to the WVBE as requested.
