

# **West Virginia Licensure Testing Directory**

**Effective June 11, 2025**

## **DIRECTORY DESCRIPTION AND AUTHORITY** **INFORMATION**

This directory is a listing of all West Virginia Board of Education (WVBE) required licensure exams for educator certification and for completion of WVBE approved programs leading to West Virginia licensure. This directory is maintained on the West Virginia Department of Education website and pursuant to rules for WVBE approved testing found in West Virginia State Code (ex. Sections §18A-3-1 through §18A-3-2a) and WVBE Policies (ex. 5202, 5100 and 5901).

## **LICENSURE REQUIREMENTS**

**(Pre-Professional, Content, and Pedagogical Knowledge and Skills)**

All applicants must meet the following requirements:

1. Documentation of Pre-Professional Skills using one of the allowable requirements included within this directory AND
2. Professional Education Exams AND
3. Praxis II Content Test - Review the applicable content test(s) and passing scores required for each endorsement area, in accordance with appropriate grade levels, in the specialization tables of this document.

**Important Information:** Refer to the most recently WVBE-approved WV Licensure Testing Directory for the most up to date information on required scores AND for passing scores. Please note applicants under a restricted waiver and/or flexible provisions will be required to meet the specific scores based on those flexibilities that may differ from the above-listed scores (see page 5 of the Directory). Program participants of WVBE-approved educator preparation programs must use the handbook approved by the program provider to ensure the handbook is accepted for successful program completion prior to registering for the assessment. For individuals who completed an out of state program or a WVBE-approved pathway which did not include a Teacher Performance Assessment (TPA) and the applicant received a non-transferrable Professional Teaching Certificate, the professional education TPA (in their endorsement area) may be taken by registering as someone who is unaffiliated with a program to fulfill the TPA requirement for conversion to the transferrable certificate.

## Test Score Validity

The validity period for in-state and out-of-state tests and passing scores is ten years from the date on which the candidate passed the examination if such tests were the tests required in the WVBE policy (or out of-state policy if applicable) effective at the time the tests were taken, except when the test creator specifies otherwise<sup>1</sup>. Candidates whose test score(s) exceed the ten-year validity period at the time of application for licensure are required to satisfy current tests and passing scores. In those circumstances where the WVBE has not altered either the required test or the passing score, the test and score shall remain valid beyond the ten-year period.

When tests, scores, or industry credentials listed in the manual are modified, the validity period for the previously listed test, score, and/or industry credential shall be one year from the effective date of the new test, score, or industry credential, except when the test creator specifies otherwise.

**12 month rule** – Applicants have 12 months after successfully completing a WVBE approved program to apply for licensure without having to meet any new program requirements if changes have been made.

**Exception**—Tests, scores, or industry credentials shall remain valid for 12 months after completion of an approved program for licensure where the candidate was continuously enrolled even if the tests, scores, or industry credentials have been modified.

Basic Skills Test scores may be used beyond the ten-year limit and may be used to satisfy the pre-professional skills test requirement.

When adding endorsements via content proficiency, please see WVBE Policy 5202, for test validity.

**West Virginia does not permit the use of the Praxis Bridge to add an endorsement through the content exam option.**

---

<sup>1</sup> Test may be accepted beyond the validity specified by the test creator (not to exceed four years) if the applicant is continuously enrolled in an eligible program and provides documentation of continuing attempts to pass exams, which are not more than three months apart, to complete all program requirements.
