

West Virginia
**Governor's
School of Entrepreneurship**

July 17-26, 2026 at Marshall University

Open to students currently in 9th, 10th, or 11th grade at a West Virginia public, private, CTE, or home school!

Are you the one always saying “There’s got to be a better way...” Discover Your Inner Innovator at the West Virginia Governor’s School of Entrepreneurship (GSE)!

- ▶ You don’t need a business idea.
- ▶ You don’t need a suit and tie.
- ▶ You just need curiosity and a desire to make things better.

At GSE, you’ll join high school students from across West Virginia for **10 days of hands-on innovation** at Marshall University. Whether you’re into art, tech, sports, or just love solving problems, GSE is your chance to explore how entrepreneurship can **turn ideas into impact**.

Here’s what you’ll do:

- ▶ Solve real challenges in your community
- ▶ Learn how top companies like Intuit and Apple innovate
- ▶ Team up with other students to create new solutions
- ▶ Go on awesome field trips!
- ▶ Find out if entrepreneurship is for you

Design the Future!
