## How to read the West Virginia Parent Report for Lexile and Quantile Measures: A GUIDE FOR PARENTS/GUARDIANS

The purpose of this guide is to help you understand your child's West Virginia Parent Report for Lexile and Quantile Measures.

| 1 | Your Student's Lexile Measure makes it easy to connect your student with books targeted to his <br> or her reading ability. |
| :--- | :--- |
| 2 | Your Student's Quantile Measure helps identify the math concepts your student knows and <br> matches your student with the concepts he or she is ready to learn. |
| 3 | Lexile Measure and Quantile Measure information is given here. |
| 4 | Growth Planners can be used to illustrate the reading demands and the mathematical demands of <br> different occupations. By entering your student's Lexile and/or Quantile measures you can <br> determine if your student is on track to graduate ready for different occupations. (See Using the <br> Lexile and Quantile Growth Planner PowerPoint for more information.) |
| 5 | Lexile and Quantile Resources for Parents lists a few of the resources available on the WVDE Lexiles <br> and Quantiles webpage. WVDE.US/LexilesandQuantiles/ |
| 6 | Discuss Your Student's Learning with Teachers provides information to prepare for a parent// <br> teacher conference. |

The purpose of this guide is to help you understand your child's West Virginia Parent Report for Lexile and Quantile Measures.

| 7 | Your Student's Lexile and Quantile Measures as determined by the West Virginia General Summative Assessment Grades 3-8 or the SAT School Day given in the spring. |
| :---: | :---: |
| 8 | Comparison scores allow you to compare your student's Lexile and Quantile Measures with the average measures for your student's school, the district, and the state. |
| 9 | Your Student's Lexile and Quantile Measures plotted on the Growth Planner. |
| 10 | Pathway for Reading or Mathematical Readiness colored bands illustrate the Lexile range for reading skills or the Quantile range for math skills for each grade for students to be on track for college and career readiness. |
| 11 | Your Student's Estimated Growth Path projects your student's Lexile or Quantile Measures through Grade 12 assuming no extra work or effort is given. |
| 12 | Your Student's Recommended Growth Path shows your student's recommended Lexile or Quantile Measures through Grade 12 with some extra work or effort given. |
