Introduction
The WVDE Electronic Application Processing System (WVEAP) enables teachers, administration and support staff to submit applications for certification and have them approved by their respective Institutions, County Superintendents Office and the West Virginia Department of Education.

Institutions have the ability to login to the WVEAP system and view pending applications requiring their approval. Detailed information regarding the application along with supporting documentation are assessable through the system. Institutions may approve, reject or send back an application. Approving an application pushes the application forward in the approval process. Applicants have the ability to pay all fees prior to being submitted to the Office of Certification and Professional Preparation for final approval.

*Note – Please use the most up-to-date versions of popular browsers to access the system. The system has been tested in Internet Explorer, Chrome, Safari, and FireFox. In addition, the system has been optimized for operation on a mobile device. The menus and field on system screens are “responsive” and will arrange appropriately based on the size of your browser window or device screen.*

Legal Disclosures
The applicant is required to answer all legal disclosure questions when completing an application. Questions answered as “Yes” will include additional information regarding the disclosure.

Figure 5
The example legal disclosure in Figure 5 shows that the applicant answered “Yes” to Question 1. The Date, Title, Previously Disclosed and Status are listed for each disclosure along with the ability to view disclosure details.

The previously disclosed column signifies if the disclosure was previously reported to the WVDE during a prior renewal. Applicants are required to report all legal disclosures the first time renewing through the online system, but are not required to provide additional documentation if the disclosure was previously processed by the WVDE. Please contact the Office of Certification and Professional Preparation if you have questions regarding previously disclosed legal disclosures.

Clicking the View icon enables the user to view disclosure details.
**Legal Disclosure Details**

After clicking the **View** icon for Question 1, you will see all of the information submitted for that disclosure. Clicking on “Steve Test – Narrative” or “Tim Test – Disclosure File” enables the user to view the narrative provided by the applicant and also download any additional documentation provided.

Completing the Application

Once all legal disclosures have been marked as reviewed, you are ready to complete the approval process. Institutions have three options when completing the process.

1. Approved
2. Rejected
3. Sent Back

**Approved**

Institutions must provide information for WVBE required tests, clinical experiences, student teaching & performance assessment and school year. The institution may also upload the applicant’s transcript under Supporting Documents. The User may include comments at this time, which can only be seen by the Institution, County and WVDE.
The next section will be used to reflect the student teaching and endorsement that is being recommended. The list of endorsements and grade levels are based on WVBE Policy 5202 for the available endorsements in West Virginia. If the applicant completed more than one placement, each one must be included to recommend for the license.
