Titanic Postcard Home

Now that you have researched a Titanic passenger and learned about life for 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> class passengers, you are going to use your Titanic Passenger Profile to write a postcard home from your passenger.

1. You can make up a person and an address to send your postcard to. Use the home state/country/etc. of your passenger.

2. Write 7-10 sentences to someone at home. When writing, remember the AGE of your passenger and the CLASS of your passenger and any other important information you learned about him/her. Tell the person back home about what the passenger has experienced on the Titanic (this is BEFORE the sinking, obviously), where the passenger is going, etc. Think about the activities available to your passenger’s class and refer back to your article if necessary.

3. Draw a picture of something related to the Titanic on the front.
