

PERSONAL PROTECTIVE EQUIPMENT CHECKLIST FOR SCHOOLS

Classrooms and Schools Should Have the Following:

Hand sanitizer in each classroom and at the entrance to the school

Face coverings for all staff and students

Hand soap/paper towels for each restroom and handwashing stations

Facial tissues readily available for student and staff need

Disposable gloves

*for Food Service Workers, Custodians, Nurses, Aides
(as needed per CDC guidelines)*

Disinfectant cleaner/paper towels

Districts and schools should develop a process for staff to request refill of supplies.

There should be a 2-3 month supply available at the start of the school year. Districts should inventory all items at the end of the first month to determine additional needs.
