

# Engagement and Interactive Suggestions for Skill Recovery Equipment and Digital Resources

## Accessible Educational Material (AEM)-Related Recommendations

---

All recommendations have come from the AEM website – AEM Center: [The National Center on Accessible Educational Materials for Learning at CAST](#)

Learning Ally – [AEM Center: Acquiring Accessible Formats \(cast.org\)](#)

- » Direct website link – [Learning Ally for Schools | Audiobooks](#)
- » Learning Ally is a non-profit with over 80,000 books read by a human voice.
- » Complimentary access in April, May and June free for a one-year subscription (individual and county bulk discounts available)
- » It can be used by all students who have a reading difficulty (no IEP or 504 required), is blind or visually impaired, or has a physical disability
- » [Check out this Myths of Audiobooks infographic](#)
- » [Importance of Human Read Audiobooks](#)
- » [Summer Reading Together](#) – offers resources for parents/educators as well as prizes for students
- » Books can be downloaded to devices and read from the device
- » Teacher Tools – real-time progress monitoring and reporting to assist in implementing personalized instruction
- » WV Representatives – Sharon Jepson, [sjepson@learningally.org](mailto:sjepson@learningally.org)

Read&Write – [AEM Center: Features in Accessibility: Read&Write \(cast.org\)](#) – universal design for learning – can be used for all students

- » Direct website link – [Assistive Technology In Education & Edtech Software | Texthelp](#)
- » “Purple Puzzle Piece” – a literacy support tool that helps students move forward with rigor and without barriers, no matter where their learning takes place.
- » Webinar Recording
- » Digital Handout
- » Webinar Slides

Equatio – [AEM Center: Teaching with Accessible Math \(cast.org\)](#)

- » Direct website link – [EquatIO – Create Equations, Formulas & Digital Math | Texthelp](#)
  - » Provides multiple ways for you to work with math notation
  - » Video tutorial – <https://www.youtube.com/watch?v=-UA4fpv2Aho&list=PLgtNP6aow70usJZnnVPw6agAy2IQ0R4wk&index=2>
  - » Provides easy access to subscript, square root, and other math symbols
-

Math Type – [AEM Center: Teaching with Accessible Math \(cast.org\)](#)

- » Equation editor with support for Microsoft Word, Google Docs, and several learning management systems
- » Use with Equatio to quickly convert inaccessible math notation into more accessible math content you can copy and paste into a Microsoft Word document

Desmos – [AEM Center: Teaching with Accessible Math \(cast.org\)](#)

- » Graphic Calculator with sonification support for students with visual impairment
- » Can use on a web browser or install it as an iPad app

**Additional AEM Resources**

Claro Scan Pen – app

- » Awesome for paper handouts
- » \$9.99
- » Take care picture, it does its magic, then tap and it talks
- » [Demo](#) video

LiveScribe Pen

- » Education Uses for the LiveScribe Pulse Pen – PDF
- » \$200.00
- » [Demo](#) video

## **Related Service Provider Recommendations**

The “**Equipment List**” includes appropriate items for all related service providers (SLP, OT, PT, D/HH and TVI). The list was created from a variety of resources with input from related service providers. Please discuss with your related service providers before ordering to determine their individual needs. Equipment hyperlinked was recommended by our Telepractice Training Team.

## **Equipment List**

---

iPad – including stand, case and iTunes cards or app budget using the Self-Service/Volume Purchase Option

» [iPad Document Camera Stand](#)

---

MacBook

---

Chromebook

---

Microsoft Surface Pro

---

Computer stand with the ability to raise or lower

---

Headphones and microphone (for both presenter and student, earbuds, wireless, gaming headset)

» [Logitech Headset](#)

» [BluParrott Wireless Headset](#)

» [Microphone and Camera Combo Set](#)

---

Computer with built-in microphone and webcam, adequate memory

---

Microphone – USB

---

Extra Monitor

---

Lighting – (circle light, LED bar light, lighting, desk light)

» [Light Bar](#)

---

Webcam (remote camera, webcam, conference cam, webcam for home)

---

OSMO projector

[INSWAN Document Camera](#)

[Elmo OX-1](#)

---

Green screen

---

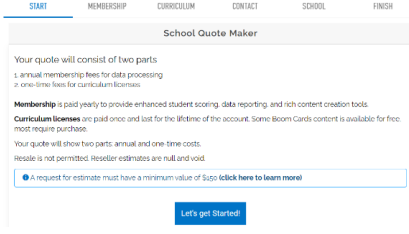

Student/Therapist Whiteboard

---

Device for the student to access when at home

---
