

WVAdultEd Certifications and Distance Education

WVAdultEd's distance education program makes it possible for adult learners to study outside the traditional classroom by enrolling in one of the state-approved distance education curricula. Distance education appeals to many students because it removes some of the barriers preventing them from attending a classroom on a regular basis: lack of transportation, child-care, conflicting work schedules, a need for privacy, etc. **ALL adult education programs are FREE!**

BRING YOUR 'A' GAME TO WORK

is a curriculum offered by the Center for Work Ethic Development that focuses on seven attributes employers seek: attitude, attendance, appearance, ambition, accountability, acceptance, and appreciation. Students completing the 40+ hour course will earn a Certificate for Work Ethic Proficiency.

Cost: \$330
