

Canvas WVDE Summer 2022 Professional Learning Catalog Schedule and Additional Details

DATES:

July 1, 2022 – June 30, 2023

- ▶ Training modules open July 1, 2022, on Canvas for enrollment
- ▶ Work is to be finalized no later than June 30, 2023

COURSE TITLES:

- ▶ Core Math (5733) with 3 modules
- ▶ Elementary Math (5003) with 3 modules
- ▶ Middle Grades Math (5169) with 6 modules
- ▶ Algebra I (5162) with 12 modules
- ▶ Geometry (5163) with 6 modules

PROCESS:

Praxis Support Study Guide course participants will:

- ▶ Complete module pre-quizzes
- ▶ Evaluate areas where review of mathematical content is required
- ▶ Complete module post-tests with a minimum score of 80%

SELF-PACED COURSES:

- ▶ Individuals completing the self-paced Praxis Support courses may enroll at any time within the registration window (September 1, 2022-June 1, 2023), and complete the courses prior to June 30, 2023. The time required to complete coursework is based upon the content knowledge of each participant.

COURSE DELIVERY:

WVDE's Canvas Learning Management System (<https://wvde.instructure.com>)

COURSE REQUIREMENTS:

The Praxis Support courses require the completion of module pre-quizzes, the review of study guide materials, and the completion of module post-quizzes with a minimum score of 80%.

COURSE CREDIT:

Non-degree graduate course credit is not awarded for this training. Please contact Donna Landin at dlandin@k12.wv.us upon meeting a minimum score of 80% on all course modules for information regarding access to the ETS Practice test.
