SUGGESTED ACTIVITIES FOR STUDENTS

- Use people-first language – it is the simplest and easiest way to include **ALL** students.
- Integrate lessons on disability awareness into your current curriculum.
- Add a project /research paper into your middle or high school curriculum
 - » Hold a virtual meeting in your classroom with students in another state to discuss the culture and climate for inclusive practices
 - » Invite guest speakers into your classroom.
- Hold a school-wide assembly to promote awareness and recognition for the disability rights movement.
- Endorse a school-wide fundraiser and celebrate with an activity that supports inclusive practices or donate the proceeds to a non-profit group that provides support to people with a disability.
