2024 GSA Theme: “Arts in Community”

When we create art, we interact with and serve our communities. West Virginia has a rich cultural history, with diverse communities expressing themselves through music, dance, theater, writing, and visual arts. We draw on this cultural heritage to foster community through art at GSA, empowering you to find community with other artists both in and outside of your chosen artistic discipline.

This could include experiences at school, extracurricular activities, in your hometown, other community spaces, or even digital communities.

Your essay must be completely formatted in a Word document using 12 Times New Roman and double spaced.

The following rubric will be used to evaluate your writing:
