Amount of Funding and ADA

- Maximum funding allotment was sent to each applicant by March 19, 2024.
 - Funding based on the ADA provided in the Intent to Apply
-

Proposal Rejections

If the budget is more than the maximum amount, the application will be rejected and not even scored. Do not go over the maximum budget provided.

The average daily attendance must equal the minimum amount of ADA on the Program Summary page of the application. The ADA is to be divided between the afterschool sites listed.

Other reasons for rejection

- The proposal is submitted by a previously funded applicant that has outstanding reports of any kind.
 - The applicant has previously been cited with major and/or significant deficiencies by the WVDE.
 - The applicant is included on the state or federal Debarred or Suspended Vendor lists.
 - UEI number is not accessible.
 - The proposal is not received by the deadline.
 - The proposal has incomplete and/or missing required documents with signatures, as required.
 - The proposal indicates that funds would supplant and not supplement.
 - The applicant proposes to expand services at currently operating 21st CCLC sites or provide services at a location that already houses a 21st CCLC program, regardless of the entity operating the site.
 - The proposal contains plagiarism, or false or misleading statements, or false references.
 - The proposal is a duplicate of a previously funded grant proposal and does not contain new strategies based on a recent need assessment.
