

EDUCATION RECOVERY SPECIALIST INFORMATION

What is an Education Recovery Specialist?

- We work for the WV Schools of Diversion and Transition and specifically with foster youth.
- We can provide educational support to foster care youth (i.e., enrollment assistance.)
- Gather supporting documents for special education services
- Link foster youth with outside agencies for additional services and support
- Increase collaboration and communication between stakeholders, i.e. DHHR, foster care parents, child care agencies, LEAs, and the WVDE

We are working to fill the educational gaps for foster care youth throughout the state.

EDUCATION RECOVERY RESOURCES

Our mission is to identify student needs and advocate for educational services for youth in foster care.

This means that we are looking for resources across the state to better serve those in the foster care system.

Some of the resources we refer youth to are listed below.

- WV Department of Rehabilitation Services
- Literacy Volunteers
- County Tutors or tutoring programs
- Modify Program
- Job Corp

REFERRAL INFORMATION

If you have a student that needs our help, please email or call using the information below!

Include the following information:

- WVEIS number only (if known) Or first initial and last name
- County of current/last enrollment
- List the educational need of the youth
