# 2023 West Virginia Statewide Summative Assessment Results

The 2023 state summative assessment results consist of combined student performance across all the state's summative assessments, including the West Virginia General Summative Assessment (WVGSA) in grades 3-8, the SAT School Day in grade 11, and the West Virginia Alternate Summative Assessment (WVASA) in grades 3-8 and 11.

Results are based on the performance of students who are enrolled for a full academic year, meaning they were enrolled for at least 135 days during the school year.
