

The accountability system for West Virginia public schools is based on multiple indicators that assess student outcomes in key areas, which differ by programmatic level, using four performance levels that were set by the West Virginia Board of Education. Indicators, school years used in the calculation, programmatic levels, and Balanced Scorecard performance levels are as follows:

Indicators	Description	School Year Used in Calculation	Programmatic Level		Balanced Scorecard Performance Level			
			Elem/ Middle	High	Does Not Meet Standard	Partially Meets Standard	Meets Standard	Exceeds Standard
Academic Indicators								
Academic Achievement ¹	Measure of students' performance on annual statewide assessments in English language arts and mathematics.	Current	Grades 3-8	Grade 11	Less than 50%	50% to less than 65%	65% to less than 80%	80% or more
Academic Progress ²	Measure of students' progress on annual statewide assessments between two consecutive years in English language arts and mathematics.	Current and One-Year Previous	Grades 4-8	--	Less than 35%	35% to less than 50%	50% to less than 65%	65% or more
English Learner Progress	Measure of English Learners' progress in reaching English proficiency across four English language domains – listening, reading, speaking, and writing.	Current and One-Year Previous	Grades K-8	Grades 9-12	Less than 50%	50% to less than 62.5%	62.5% to less than 75%	75% or more
Graduation Rate ³	<u>4-Year</u> : Percent of students graduating high school in four years.	One-Year Previous	--	Grad Cohort	Less than 80%	80% to less than 90%	90% to less than 95%	95% or more
	<u>5-Year</u> : Percent of students graduating high school in five years.	Two-Years Previous	--	Grad Cohort	Less than 80%	80% to less than 90%	90% to less than 95%	95% or more
Student Success Indicators								
Attendance	Percent of students absent for more than 10% of instructional days.	Current	Grades K-8	Grades 9-12	More than 20%	More than 10% to 20%	More than 5% to 10%	5% or less
Behavior	Percent of students with zero out-of-school suspensions, with exemptions made based on <i>WVBE Policy 4373</i> .	Current	Grades K-8	--	Less than 80%	80% to less than 90%	90% to less than 95%	95% or more
On-Track to Graduation ³	Percent of Grade 10 students meeting credit earned criteria.	One-Year Previous	--	Grade 10	Less than 80%	80% to less than 90%	90% to less than 95%	95% or more
Post-Secondary Achievement ³	Percent of Grade 12 students meeting selected post-high school achievement criteria.	One-Year Previous	--	Grade 12	Less than 50%	50% to less than 65%	65% to less than 80%	80% or more

¹ Missing school year 2020-2021 data due to the COVID-19 pandemic

² Missing school year 2020-2021 and 2021-2022 data due to the COVID-19 pandemic

³ Lagged indicators

The Every Student Succeeds Act requires states to establish long-term goals, and annual targets for progress toward those goals, for each school on four measures used in states' accountability systems. Long-term goals were set using information from a baseline year as a benchmark against which progress is compared. These measures include:

- academic achievement in mathematics;
- academic achievement in English language arts (ELA);
- the four-year adjusted cohort graduation rate; and,
- progress in achieving English language proficiency among students for whom English is not their primary language.

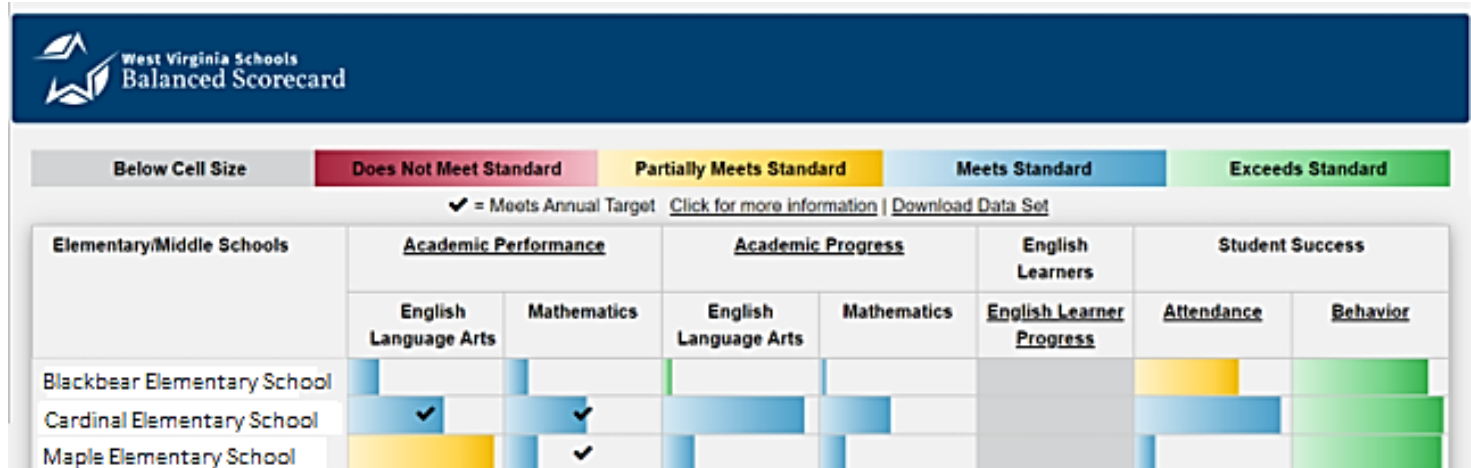

Originally, West Virginia's long-term goals were established using rates from the 2016-2017 school year as the baseline. The goal for each measure was to reduce the gap between the baseline rate and 100 percent proficiency by half by the end of the 2029-2030 school year. In 2022, due to the impact of the COVID-19 pandemic, the long-term academic achievement goals were updated using proficiency rates from the 2020-2021 school year as the baseline measure. The long-term goal was extended to the 2035-2036 school year to maintain a comparable expectation to pre-pandemic targets. Statewide long-term goals for academic achievement are outlined below:

Measure	2020-2021 Proficiency Rate	2035-2036 Long-Term Goal (Half the Distance to 100%)	Difference Between Long-Term Goal and 2020-2021 Proficiency	Expected Annual Improvement to Reach Goal
Mathematics	28.1%	64.0%	36.0%	2.4%
English Language Arts	40.0%	70.0%	30.0%	2.0%

The statewide long-term goals for four-year adjusted cohort graduation rate and English learner progress were not adjusted for the COVID-19 pandemic impact. Long-term targets are outlined below:

Measure	2016-2017 Rate	2029-2030 Long-Term Goal	Difference Between Long-Term Goal and 2016-2017 Rates	Expected Annual Improvement to Reach Goal
Four-year Cohort Graduation	89.8%	95.0%	5.2%	0.37%
English Learner Progress	56.1%	85.0%	28.9%	2.2%

Each school in the state has its own long-term goal and annual target for these measures based on the school's baseline scores. Whether a school meets its annual targets is shown on the accountability balanced scorecard by a "✓". Below is an example of how this looks on the scorecard:

2022 Comprehensive Support and Improvement (CSI) Schools

West Virginia DEPARTMENT OF EDUCATION

Category 1 – **Red on all Indicators** | Category 2 – **Red on all Indicators and Yellow on Attendance** | **CSI Prior ATS - Multiple Subgroups**

County	School	Category
Grant	Union Educational Complex	Red on all indicators
Randolph	Harman Elementary/High School	Red on all indicators
Summers	6-12 Summers County Comprehensive High School	Red on all indicators
Kanawha	West Side Middle School	Red on all indicators
Barbour	Philippi Middle School	Red on academics and red/yellow on attendance
Berkeley	Winchester Avenue Elementary School	Red on academics and red/yellow on attendance
Berkeley	Martinsburg North Middle School	Red on academics and red/yellow on attendance
Braxton	Flatwoods Elementary School	Red on academics and red/yellow on attendance
Fayette	Valley PK-8	Red on academics and red/yellow on attendance
Jefferson	Ranson Elementary School	Red on academics and red/yellow on attendance
Kanawha	Sharon Dawes Elementary School	Red on academics and red/yellow on attendance
Logan	Verdunville Elementary School	Red on academics and red/yellow on attendance
Randolph	George Ward Elementary School	Red on academics and red/yellow on attendance
Roane	Spencer Elementary School	Red on academics and red/yellow on attendance
Summers	Jumping Branch Elementary School	Red on academics and red/yellow on attendance
Taylor	Flemington Elementary School	Red on academics and red/yellow on attendance
Upshur	Rock Cave Elementary	Red on academics and red/yellow on attendance
Barbour	Philippi Elementary School	Prior ATS schools with multiple subgroups of concern
Harrison	Mountaineer Middle School	Prior ATS schools with multiple subgroups of concern
McDowell	laeger Elementary School	Prior ATS schools with multiple subgroups of concern
Pocahontas	Green Bank Elementary-Middle School	Prior ATS schools with multiple subgroups of concern

2022 Comprehensive Support and Improvement (CSI) - Additional Targeted Support (ATS) Schools

Schools having one or more of the same subgroups in the **red** category for three consecutive years on the same cycle as CSI identification.

County	School
Barbour	Belington Middle School
Berkeley	Martinsburg South Middle School
Berkeley	Orchard View Intermediate School
