Introduction

THE ADULT EDUCATION AND FAMILY LITERACY ACT (AEFLA), Title II of the Workforce Innovation and Opportunity Act (WIOA), is the principal source of federal funding for states for adult education programs. The Office of Career, Technical, and Adult Education's (OCTAE) Division of Adult Education and Literacy (DAEL) administers AEFLA. The purpose of AEFLA's basic state grant program is to—

- (1) assist adults to become literate and obtain the knowledge and skills necessary for employment and economic self-sufficiency;
- (2) assist adults who are parents or family members to obtain the education and skills that—
 - (A) are necessary to becoming full partners in the educational development of their children; and
 - (B) lead to sustainable improvements in the economic opportunities for their family;
- (3) assist adults in attaining a secondary school diploma and in the transition to postsecondary education and training, including through career pathways; and
- (4) assist immigrants and other individuals who are English language learners in—
 - (A) improving their—
 - (i) reading, writing, speaking, and comprehension skills in English; and
 - (ii) mathematics skills; and
 - (B) acquiring an understanding of the American system of Government, individual freedom, and the responsibilities of citizenship.

The statute requires states to allocate no less than 82.5 percent of their allotments to local agencies, through a competitive grant or contract process. The following resource guide provides additional support to the following technical assistance modules, including:
